

## WESTERLY WOMAN WAS

**Mrs. Jerusha Watson, Who Died in Pawcatuck, Oldest Resident, as Records Prove—Grade of Union Street Still an Issue—Commission Pronounces Dwight Miner Not Insane—Town Election Probabilities.**

Although the Westerly town council has established a change in grade of Union street from the fire house to Broad street and a general widening of the street for that distance, no appropriation was made for that purpose nor even mention made of the proposed change. The new town hall and courthouse have been built with this change in contemplation and the change in grade must be made to afford proper entrance to the courthouse section and to the Union street side of the town hall building and the widening of the street seven feet at its intersection with Broad street. It is probable that owing to the unexpected and unusually large appropriations made, those having this special matter in charge considered it unwise to present the proposition at the meeting, as it would be liable to reopen the original proposition to change the grade of the entire street, which, if carried through, would bring the finances of the town beyond the legal debt limit and endanger the proposed change that is absolutely necessary in connection with the new public building.

It is understood that this project will be given further consideration by the town council and ways and means will be found for doing the work, without a special appropriation for the purpose.

It is probable that the Westerly fire district will co-operate with the town council in this proposed improvement by moving the fire house back from the street line, to conform to the line of the new building, and also to the change in the street grade. When this is done the new building will show up to better advantage and that section of the town beautified.

**Deafness Cannot Be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running ear, or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Sent for circulars, free.

**Helps A Judge In Bad Fix.**  
Justice Eli Cherry, of Mills Mills, Tenn., was plainly worried. A bad sore on his leg had baffled several doctors and long resisted all remedies. "I thought it was a cancer," he wrote. "At last I used Bucklen's Arnica Salve, and was completely cured." Cures burns, boils, ulcers, cuts, bruises and piles. 25 cents at The Lee & Osgood Co.

R. W. Danforth, 166 No. Main St., Concord, tried many remedies for kidney trouble, but they did not cure him. Then he saw an advertisement of Foley Kidney Pills and began taking them. "In a short time I commenced to get better, the pains left my back, the action of the kidneys was free and natural, and the scalding sensation ceased. I gladly recommend Foley Kidney Pills." ## WOMEN SHOULD BE PROTECTED

**Against So Many Surgical Operations. How Mrs. Bethune and Mrs. Moore Escaped.**

Sikeston, Mo.—"For seven years I suffered everything. I was in bed for four or five days at a time every month, and so weak I could hardly walk. I cramped and had backache and headache, and was so nervous and weak that I dreaded to see anyone or have any movement in the room. The doctors gave me medicine to ease me at those times, and said that I ought to have an operation. I would not listen to that, and when a friend of my husband told him about Lydia E. Pinkham's Vegetable Compound and what it had done for his wife, I was willing to take it. Now I look the picture of health and feel like it, too. I can do my own housework, hoe my garden, and milk a cow. I can entertain company and enjoy them. I can visit when I choose, and walk as far as any ordinary woman, any day in the month. I wish I could talk to every suffering woman and girl."—Mrs. DEMA BETHUNE, Sikeston, Mo.

Murphyville, Ill.—"I have taken Lydia E. Pinkham's Vegetable Compound for a very bad case of female trouble and it made me a well woman. My health was all broken down, the doctors said I must have an operation, and I was ready to go to the hospital, but I decided that I began taking your Compound. I got along so well that I gave up the doctors and was saved from the operation."—Mrs. CHARLES MOORE, R. R. No. 8, Murphyville, Ill.

The come of backache between the Thread mill town and that of the P. & N. company, to be played at Clarksville Saturday afternoon, will be for the benefit of Andrew Jordan, pitcher of the Thread Mills, who broke his leg while playing in a game last Saturday.

At the quarterly meeting of the Seventh-day Baptist Education society, E. P. Saunders was chosen secretary for the balance of the conference year, as Secretary Wilcox is in Africa, making examination of the missionary work. The treasurer's report showed a contribution of \$35 from the Westerly church.

Jack Pratt of Westerly, a pitcher for the St. Louis Nationals, has been transferred to the Newark club of the International league, with which he played as leading pitcher last season. Pratt was for a time with the New York Nationals. He was satisfactory in the big league but was released in order to reduce the pitching staff. Hagerman, pitcher for the Boston Americans, has already been secured by the Newark club.

Mrs. Edward Condon gave a delightful tea to the Father's League society of the First Baptist church at her new home in Maple avenue, Tuesday afternoon, the rooms being artistically decorated. Mrs. S. Evans, poured, and dainty refreshments were served by Mrs. Everett Saunders, Mrs. Condon, Mrs. Henry Burr, Mrs. Hiram Edmund and Miss Irene Peabody. Instrumental selections were given by the Misses Daisy Kenyon, Fanny Pendleton and Ruth Burdick.

At a meeting of the executive committee of the Rhode Island Society for the Prevention of Cruelty to Animals, James N. Smith of Providence was re-elected general agent. Twelve special prosecuting agents were elected, with authority to make arrests with or without warrants for cruelty to animals. Among the local agents elected for two years are the following: John D. Canwell, Narragansett Pier; Charles T. Bonestown, Ashaway; Isaac T. Hopkins, West Kingston; Ray G. Halling, Central Falls; John Reardon, Wickford; James R. S. Wrightman, Wickford; and John R. Wilcox of Kingston. Dr. Thomas E. Robinson of Westerly was among the veterinarian surgeons appointed.

The annual town election of Westerly will be held the first Tuesday in June, and indications are that the present town officers will be re-elected practically without opposition. The present board of town officers are all republicans and it is believed they will receive united party support in caucus, while democratic nominations in Westerly are merely a matter of form, as that party is practically without organization, and the party is held together by a faithful few. A list of the officers to be filled by ballot and the present incumbents:

George R. Pendleton, moderator; Everett E. Whipple, town clerk; William T. Clarke, Albert H. Langworthy, C. Clarence Maxson, Wayland A. Saunders, William Colley, Marjorie W. Flynn, John T. Edmund, councilman; James M. Pendleton, town treasurer; one assessor; Elmer Barber, overseer of the poor; school committee.

The officers to be filled by the incoming council are: Judge of probate, town sergeant, auctioneers, fence-viewers, field drivers, pound keepers, surveyors of lumber, corner, corner of wood, survey of weights and measures, superintendent of health, inspector of milk, surveyor of land, measurers of grain, constables, gaugers of casks, policemen, sealer of leather, packers of fish, weighers of coal and other merchandise, officer to care for burial of deceased soldiers, inspector of buildings.

The republican town committee will soon hold a session to prepare for the June election, and, as customary, will recommend to the caucus candidates for town officers to be balloted for on election day. There are various rumors that some of the committee are in favor of omitting from the recommendation the name of the oldest and most prominent member of the town council, but it is believed that such action would not receive caucus approval.

The annual town election of Westerly will be held the first Tuesday in June, and indications are that the present town officers will be re-elected practically without opposition. The present board of town officers are all republicans and it is believed they will receive united party support in caucus, while democratic nominations in Westerly are merely a matter of form, as that party is practically without organization, and the party is held together by a faithful few.
